Shivalkar, Gojje Boyee and Padmavati Boyee are the Jodidars of the village. The first enjoys ½ a share and the other two ¼ share each.

All the godidars claim compensation for their land taken up. They do not want exchange land as they reside in out station. The panchayetdars fixed 6-10-5 rupees. To this the godidars objected and claimed compensation of 20 rupees per acre. This amount was considered too much and the amildar was directed to reduce the amount. He has after inspecting the land fixed 15 rupees per acre. To this the godidars have agreed. The total amount comes up to 1326. This may be sanctioned.
